- Play Family Fortunes - Get into two groups and answer the attached questions as quick as you can.

## Video

▶ Watch the video on Youtube: IvyYouth.

You may have to press pause in it to answer a question, or play a game in it, so you may need resources.

## Bible Bit...

- Why is it important to know what people called Jesus?
- Why is it important to know where someone has come from?

📖 **Read Mark 10: 46-52**

- Why do you think they called Jesus Son of David?
- Who was David?

📖 **Read Matthew 1:1-17** - maybe take a line each!! :)

- Why are there family lines written out in the bible?
- Are there any key people you recognise in this one?
- Why is this one so important? What is it saying?

## Bible Bit...

📖 **Read Isaiah 11:1 and 2 Samuel 7: 12-16**

*These are prophecies speaking about Jesus.*

- Who do the prophecies say Jesus will be related to?

*God is a God who keeps his promises - from generations to generations! The Jewish people knew a Messiah was coming from the line of David, so when they say Son of David, it is a posh way of saying Jesus is the Messiah.*

- How does knowing Jesus fulfilled these prophecies, and that God fulfils his promises, even if it takes years, make you feel?

✍ Have a think - WHO DO YOU SAY JESUS IS?

- Who is Jesus to you?

## Prayer

- 🙏 Have you made the decision that Jesus is Lord of your life?
- 🙏 Pray the salvation prayer today - confess with your mouth that Jesus is Lord, and believe in your heart.  
*Leaders ask who really prayers that today.*

Divide the group into two teams. One member of each team faces the other in a face-off as you read the question. The team that 'buzzed' in the quickest with the correct answer receives control of the board and has the option of playing or passing control to the other team.

The team that has the control tries to reveal all of the correct answers to the question before receiving three strikes. If the team receives three strikes without clearing the board, control is passed to the other team.

The team that now has the control is able to give one answer in the hopes that it is found on the board.

If it is, points are added to the team's score.

If not, the other team gets the points.

Points are collected as each team finds its answers to the question on the board. Add Up the points to see who wins. Continue through the rounds.
