Video

📺 Watch the video on Youtube: IvyYouth.

You may have to press pause in it to answer a question, or play a game in it, so you may need resources. So just check before you start it.

Discussion and Bible

- Are you able to hear God for yourself?
- What ways help you connect yourself to Jesus? - How can you become more devoted?

📖 Read John 10:27-30

- When you are devoted to someone you know exactly what they sound like, and how to recognise their voice.
- How do you know when God is speaking to you?

Activity

We need to tune into God's voice for ourselves not just let other people do it for us... God often talks through catching our attention with the things around us.

- Get some random, fun objects together. What could God be saying through them? Brainstorm as many things as you can for each object. It doesn't have to be the right answer, just what type of thing could he say if he was.
Have fun - there are no wrong answers, as long as it is encouraging, positive and inline with the themes of the bible.

- Is there anything that God could be saying for you, or for a person in the room today?
- Can you do this as you go about your day?

Prayer

Pray for yourself that you will be able to connect directly with Jesus yourself this week.
